

Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing applications for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit comments in writing on any of these projects to:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401
Attention: 401 Coordinator

Project Applicant	Cynthia Jo Fowler – United States Army Corps of Engineers
Applicant's Agent	N/A
Project Name	Moss Landing Harbor Breakwater Jetty Repair
Receiving Water	Elkhorn Slough, Monterey Bay
City/County	Moss Landing/Monterey
Public Notice	9/29/08 to 10/20/08
Project Description	The purpose of this project is to repair approximately 275 linear feet of a damaged jetty in three separate areas.

The project activities include: removing an approximate 140-foot remnant concrete walkway and power pole located at the end of the jetty, excavating up to 1,000 cubic yards of existing material on the landward side of the jetty, and installing approximately 4,400 tons of rip-rap to rehabilitate the levee.

No compensatory mitigation was proposed for this project.

This project was determined to be Categorically Exempt from NEPA.
